

4730 protect

**Transparent and mat polyurethane varnish
for concrete and plastered surfaces**

- Protects against water, moisture and dirt
- Protects against stains from coffee, red wine and common household chemicals
- Enhances the expression of the surface
- Provides hard-wearing surface

Transparent and mat 2-component polyurethane varnish preserves the raw expression of the surface. Used for protection of surfaces with 6940 micro decor floor. Can also be used for protection of 6820 micro decor when 4720 decor topcoating is not sufficient e.g. on walls in moist areas. Consists of two components that must be mixed before use.

4730 protect is supplied in 2.2 kg buckets.

Product description

Polyuretan varnish for protection of microcement surfaces.

Technical data

Setting time (dependent on working temperature):	3 hours
Recommended storage/working temperature:	10-25°C
Consumption:	1 kg covers 4-7 m ²
Gloss:	4

Packaging

2.2 kg plastic bucket.

Storage and transport

Store and transport frost free and dry. The product meets technical specifications min 3 years from production date in unopened packing. Can be used hereafter, properties may however change, e.g. prolonged curing time.

Application areas

Topcoating for floor with 6940 micro decor floor and wall with 6820 micro decor surface.

Type of substrate

Can be used on all types of cement-based substrates, such as 6940 micro decor floor, plastered concrete floors and 6820 micro decor.

Pre-treatment of substrate

The substrate shall be stable, dry and free of dust, oil, grease and loose particles.

Application

The two components are mixed with stirring stick for 2 minutes. Apply in two coats with smooth paint roller or brush. It is important that 4730 protect is evenly distributed over the entire surface. Apply in multiple directions to achieve uniform application without streaks. Apply second layer when first application is surface dry after minimum 15-30 min.

The tool is cleaned in water immediately after use.

Working environment

The product is labeled according to Reach registration (EU) 1272/2008. Reference to product safety data sheet.
